

SECTION	5
THEME	5

Objective: Possessive nouns and possessive adjectives

Introduction: Asking and describing family relationships.

Conceptual map:

Development:

Para formar en inglés el posesivo de los nombres en singular, se les añade la terminación **'s**. ejemplos:

Henry's brother El hermano de Enrique

The dog's tail. El rabo del perro

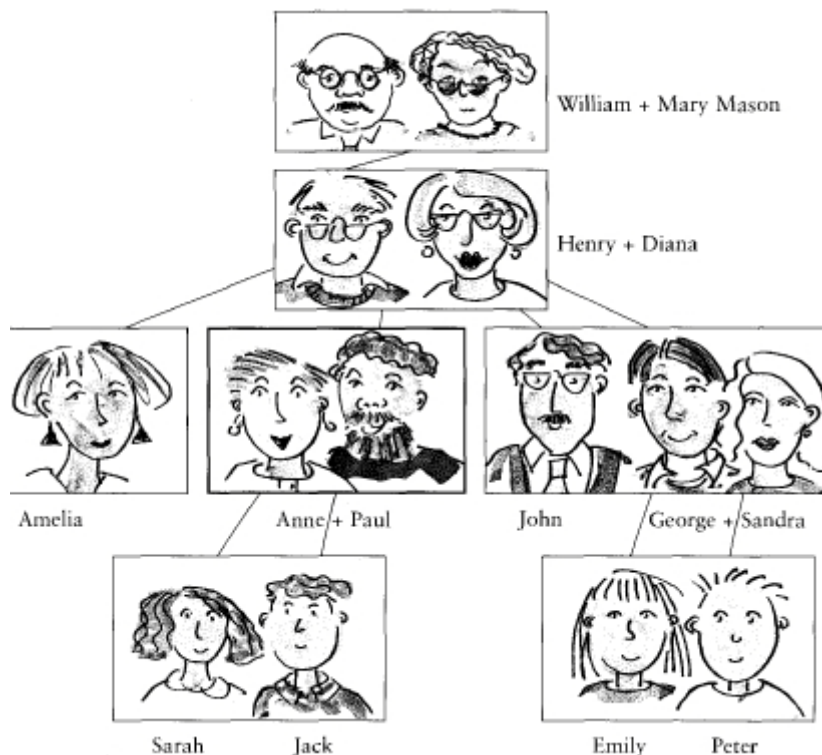

Se forma el posesivo en el plural de los nombres que terminan en **s**, añadiéndose solamente un apóstrofe al final de la palabra.

La forma posesiva se emplea usualmente con personas y animales, y rara vez con objetos o cosas.
